

ABCs of Wealth

A Bird Rock Financial Literacy Enrichment Program

"I wish I had learned the skills to save and invest when I was young!"

Children's future wealth & prosperity is directly affected by early development of their hidden special virtues such as Patience, Responsibility, Thankfulness, Selflessness, Generosity and Truthfulness. During this program (which is approved by the CA Dept of Education) children learn the essential skills to build a solid foundation in Saving, Sharing and Spending. Through arts, crafts, music, play money and role plays they will learn basics of goal setting, interest, budgeting, shopping habits, needs vs. wants, register books, and much more.
